Get help with home repairs through Ontario Renovates.

Are you a homeowner struggling to make home repairs? TBDSSAB may be able to help make home repairs more affordable through the Ontario Renovates program.

The Ontario Renovates Program may be able to help you:

- live in your home longer;
- repair your home with eligible repairs to make it safe while improving energy efficiency;
- install features that support modifications and renovations to increase accessibility

Ontario Renovates is designed to help low to moderate income homeowners make urgently-needed home repairs to address home health and safety problems, or to make modifications to their home to accommodate members with disabilities.

Please note that funding is limited and is on a first-come, first-served basis.
