

May 14, 2024

Dear William,

On behalf of NorWest Community Health Centres (NorWest CHC), I am writing to express our deepest gratitude for the generous support provided by the TBDSSAB. Your funding assistance has been instrumental in enabling us to carry out our Care Bus initiative, making a significant impact on the lives of individuals in our community.

Since its commencement on December 22, 2023, the Care Bus has operated daily from 1 pm to 9 pm, providing vital services for a total of 95 days this season. During this time, the Care Bus has served 9,667 clients, averaging approximately 102 clients per day.

TBDSSAB's support has facilitated essential services, including transportation to warming centers, emergency shelters, food distribution points, medical facilities, and social services. Additionally, the Care Bus has offered educational sessions, referrals, therapeutic listening, and distributed supplies such as food, clothing, hygiene products, and harm reduction kits.

We are truly grateful for the TBDSSAB's commitment to addressing the social needs of our community. Your support not only helps us to meet the immediate needs of individuals but also contributes to the broader goal of building a more equitable and inclusive society.

The impact of your funding assistance extends far beyond the services provided by the Care Bus. By investing in our organization and our initiatives, you are investing in the well-being and prosperity of our community as a whole.

We look forward to continuing our partnership with the TBDSSAB and working together to create positive change in our community.

Thank you once again for your unwavering support and commitment.

Warm regards,

Juanita Lawson, CEO
