With reference to the above-mentioned Document:

#### ADDENDUM #2

##### **Question 1:**

What level of frequency would be anticipated for serious incidents as defined in Addendum #1?

##### **Answer 1:**

TBDSSAB is unsure as the organization is new to having this available. Trending in 2025 with one or two per month, but it could be more

##### **Question 2:**

Alternatively, do you have a range of historic frequency?

##### **Answer 2:**

None is available
